

GENERAL TERMS AND CONDITIONS OF SALE PROSIMET S.p.A.

1 Scope of application

1.1 All supplies and related services are provided exclusively on the basis of these General Terms and Conditions of Sale (hereinafter, the “GTC”).

1.2 Definitions for the purposes of these GTC:

- “Seller” or “Prosimet” means Prosimet S.p.A., with registered office at Via Rodi 10, Filago (BG), as the party supplying the products and services governed by these GTC.
- “Buyer” means any natural or legal person purchasing products or services from Prosimet S.p.A., as well as all persons acting in its name or on its behalf, including – by way of example – directors, officers, employees, collaborators, consultants and other persons involved in activities relevant to the execution of the contract.
- “GTC”: means the set of clauses governing sales carried out by Prosimet.

1.3 Under no circumstances any general terms and conditions prepared by the Buyer shall apply, even in the absence of an express exclusion by the Seller in the order confirmation.

1.4 These GTC apply to all transactions relating to products supplied by Prosimet. By accepting the offer, the Buyer declares to fully accept these GTC.

1.5 Any deviation from or amendment to these GTC shall be valid only if accepted in writing by Prosimet S.p.A.

2 Offer and acceptance

All offers of Prosimet are non-binding and without obligation and shall be construed as an invitation to the Buyer to submit a binding purchase order to the Seller. By submitting the binding purchase order and/or accepting the offer made by Prosimet, the Buyer also accepts these GTC. The contract is concluded upon written acceptance by Prosimet of the Buyer’s purchase order. If such acceptance differs from the order, it shall be deemed a new non-binding offer from Prosimet.

3 Product quality, warranties

3.1 The quality of the goods is exclusively determined by the product specifications of Prosimet, as set out in the relevant technical data sheet, TDS and safety data sheet SDS (or MSDS).

11 Liability

11.1 Prosimet shall be liable in case of wilful misconduct and gross negligence on its own and on the part of persons for whom it is legally responsible only for damages that are the immediate and direct consequence of the breach.

11.2 Where the breach by Prosimet or persons for whom the Seller is legally responsible results from negligent violation of essential obligations (i.e. those obligations without which the business partner would not have entered into the contract), Prosimet's liability shall not exceed the value of the goods subject of the

14 Warranties

In the event of justified doubts regarding the Buyer's solvency, and in particular in the event of default by the Buyer, Prosimet may, without prejudice to further claims, revoke previously granted payment terms and make further deliveries dependent on advance payments or the provision of other guarantees.

16 Place of payment

Regardless of the place of delivery of the goods or documents, the place of performance of the Buyer's payment obligation is Prosimet's registered office.

The Buyer acknowledges and accepts that Prosimet has exclusive rights to the intellectual property of the supplied goods, including but not limited to patents, licenses, copyrights, know-how, drawings, calculations, improvements, instructions, trademarks and trade secrets, whether in written or unwritten form ("Seller's intellectual property"), and therefore shall not in any way reproduce, copy and/or disclose to third parties any such intellectual property of Prosimet.

- persons, entities or bodies subject to sanctions;
- persons established or operating in restricted countries;
- persons who may use the Products in such countries or for prohibited purposes.

The Buyer further guarantees that it will not engage in conduct aimed, directly or indirectly, at circumventing or evading the above restrictive measures.
